aluplié chair, green to blue

by behaghelfoiny

chair in printed, folded aluminium

€2.460*

a chair in printed aluminium composite, from their aluplié series. the pattern is inkjet-printed onto the flat sheet, which is then folded into the chair, so the print turns three-dimensional and follows the edges. this one runs in a gradient from green to blue. each chair is folded by hand in paris, in an edition of 8. wipe with a soft, damp cloth; no abrasive cleaners. made to order in paris, within 4 weeks, and shipped in a wooden crate. freight on request. behaghelfoiny is the paris studio of antoine behaghel and alexis foiny. they work semi-industrial materials by hand into furniture and lighting.
