less and more, birch plywood

by morten linde

one contour in carrara marble or birch plywood

€2.710*

'less and more' by morten linde is a dialogue between two identical contours that value, material and design set apart. one is arabescato carrara marble, formed hundreds of millions of years ago and long a sign of wealth and splendour; the other is birch plywood, a cheap industrial material made by man in the 1940s, finished in linseed oil paint in black, natural or green.this is the birch plywood version, an edition from 2023, 24 × 48 × 48 cm, about 4 kg, in black, natural or green; eight pieces are left in birch plywood. made to order, it ships from the studio within four weeks.
