blown glass bottle

€160*

a bottle drawn from archetypal forms of the natural world. its blown volutes and striped glass play with the light the way the ornaments of venetian chandeliers do. capacity 50.7 oz / 150 cl. clear — food-safe in the clear version. made by hand in venice, so small variations in shape, size and colour are part of each piece — a sign of non-serial production.

01 details

dimensions	ø 12 × h 32 cm
