painting in acrylic on wood panel

€1.200*

an original painting by gilberto botti: the railway bridge over a snow-covered bank, three chimneys behind it and a single figure walking in the snow, in acrylic on wood panel, 2020–21. one of three paintings in which gilberto botti follows the isar along the path from the zoo into the centre of munich: chimneys and a railway bridge stand in the trees like the abandoned buildings of a heroic landscape, quiet and outside of time, in the middle of the city. gilberto botti is an italian architect and painter based in munich. he studied architecture in florence and venice, taught design and building construction as a professor, and has worked as a painter since 2017. unique piece, 45 × 59 cm.
