konische schale — stone

by atelier von ehren

hand-built stoneware bowl

€160*

the conical outer contour reads like an architectural profile, while the interior runs fully round. the difference between the two creates a precise tension and makes the bowl an object with a character of its own. each piece is built by hand and signed by the maker — one of one. glazed inside and out, dishwasher safe. small variations in colour and surface are part of it.

01 details

dimensions	w 8,5 × d 8,5 × h 4 cm
materials	stoneware, glazed; grey
edition	one of one
lead time	dispatched fridays from the studio
