light mode 180 — future-lit

by lucas gutierrez studio

jacquard-woven tapestry

€7.320*

original with its background inverted: a crisp yellow shape framed by soft reds and creamy white, light blue details setting it off. it reads like the same tapestry in daylight. premium jacquard weave in acetate, viscose and polyester, 108 warp density. woven in italy, developed and assembled in lucas gutierrez's studio in berlin. machine-woven with hand-finished details, so every piece carries small variations of its own. 140 × 220 cm, plus 10 cm of fringes at the sides and 20 cm top and bottom. limited edition of 8, with a stamped and dated certificate. ships rolled in a tube.
