wall light in stoneware

€525*

a ceramic wall light: a stoneware form draped over a wooden peg, left to fold under its own weight and dried at that moment. textured natural finish outside, cream speckled glaze inside. made by hand in catalin filip's studio in st leonards-on-sea, england. available in white cream, black vulcan or terracotta clay. made to be hardwired into a standard electrical box; on request it comes with a cord and switch for a wall socket instead. fitted for two e14 led bulbs, both included — use led bulbs only. works on 220–230 v and 110–130 v. made to order: the studio makes each piece after the order, within 4–5 weeks. every piece is formed by hand, so shape and surface vary slightly from piece to piece. open edition, designed in 2024. photography: jorge antony stride. shipping and import. this piece ships from the studio in the uk. it is sent with import vat and duties paid (ddp), so nothing is charged on delivery in the eu.
