ceramic match, painted with acrylic

€770*

a ceramic match, formed by hand and fired once, then painted with acrylic. it has internal nail holes, so it can hang on a wall. what interests padyn humble in a real match is how briefly it burns, from ignition to going out; the ceramic ones started out as a kind of code, each a symbol inspired by the cattle brands of ranchers in montana.'striking' is an edition of ten matches, numbered 1/10 to 10/10, each one of a kind: where a form repeats, it is carved and painted differently. number 8/10 is ready in the artist's studio in berlin and ships within five working days of your order.20.5 × 7 × 1.5 cm (length × width × height).
