play panca sound bench

by denis santachiara

from €9.000*

play panca, designed by denis santachiara, is a sound bench. it works as a large passive amplifier: people sit on it, slot their smartphones into the long end of the bench and listen to their music, amplified. it can be placed in a garden, on a square or anywhere else. play panca won the icon award 2017, the prize honouring the new image campaign of marmomac. weight 600 kg — shipping arranged individually, on request.
