hand-built stoneware vase

€415*

two bellied forms set one above the other — the lower soft and round, the upper drawn out. a quiet dialogue between volume and proportion. the matte yellow glaze shows what the hand did: lines, traces, unevenness. nothing is hidden. each piece is built by hand and signed by the maker — one of one. glazed inside and fired at 1220 °c, watertight and suitable for fresh flowers. small variations in colour and surface are part of it.
