twigs bowl

by gast studio

€1.020*

twigs digitised, algorithmically manipulated and re-materialised into a polished artifact. the chrome finish erases the traces of the twigs' organic past and puts the object in a synthetic reality — a relic of nature rendered hyperreal. 41 × 40 × 30 cm, in abs, with a chrome finish or in matte black paint. both finishes at the same price. made to order in amsterdam by gast studio, about three weeks in production before it ships.
